

## **Information about the pre-emptive law (forkjøpsrett)**

The pre-emptive law is the most important benefit given to members of Asker and Bærum cooperative building association (ABBL). The pre-emptive law gives priority to the member with longest seniority in ABBL. (i.e. the individual with the longest standing membership), to the right of first refusal when purchasing a property.

Properties that can be purchased with pre-emptive law will be advertised on our website, <https://www.abbl.no/Boliger-forkjoepsrett>. The deadline to register your interest will normally be by the following Tuesday at 12:00. You need to notify ABBL that you wish to utilize your pre-emptive right in written form; <https://www.abbl.no/Skjemaer> and send it to [post@abbl.no](mailto:post@abbl.no).
